Field Rules:

- 1) Each new member must fly the first time at the club field with a club member who will review the club safety and field rules, AMA safety rules, and ascertain that the new member can adequately and safely fly the aircraft.
- 2) Guests shall be allowed flying privileges at the club field only if the host of the guest will assume responsibility to see that club rules are observed. This includes verification that the guest possesses AMA membership and has signed a TRCM Release of Liability form. Any guest utilizing the flying field for more than three occasions shall be asked to present themselves for membership in the club by their sponsor.
- 3) All fliers must have a frequency pin to fly. Do not turn on your transmitter without a frequency pin. Place your club membership card in the frequency pin slot and guests must place their AMA card there in lieu of a membership card.
- 4) Complete a satisfactory range check of your equipment each flying session, and preflight your plane.
- 5) NO takeoffs from the pit or taxiway area
- 6) Flying is not allowed above the Pit and Parking area.
- 7) Do not stand on the Runway while Flying. Use the Pilot's stations behind the safety barrier.
- 8) Always announce your intention for take off or landing to the other pilots.
- 9) Dead stick aircraft have landing priority over all other aircraft. Landing aircraft have priority over aircraft that are taking off. Be courteous and communicate with the other pilot's when retrieving your aircraft.
- 10) Engines will only be run at the Start Up Area and the Run Up area only.
- 11) Mufflers are **REQUIRED** on all Aircraft. (Electric is exempt)
- 12) Alcoholic beverages are not permitted at the field at any time.
- 13) No Smoking (if you need to smoke, then smoke in your car)
- 14) Last person to leave the field will lock the gate.
- 15) The Safety Officer and all members will ensure compliance to these rules.
